

## SABG Bulb & Seed Exchange 2020

Below are listed all bulb and seed donations, including items promised to be available shortly. As always our members have once again been very generous with their surplus material and time. Maciej Waclawski has sent in a number of packets of *Lachenalia* without reliable labels from the collection of a former grower. These are listed as *Lachenalia* sp. 01 to 13, and are essentially pot luck.

Please do remember many seeds and bulbs/corms are in extremely short supply. Whilst we will try to fulfil all requests, it is hard to split a single bulb six different ways. Species are listed below using the names provided by the suppliers. In a few cases, the spelling of names has been corrected, but as a voluntary organisation with limited resources, please bear in mind that we are not able to check the accuracy of these identifications. Species of *Polyxena* are now classified as *Lachenalia*.

On receipt of the list, please send your wishlist to me, Jon Evans, 46 Upper Way, Farnham, Surrey, GU9 8RF, UK, or to [jonevans46.uw@btinternet.com](mailto:jonevans46.uw@btinternet.com). There is no limit to how many items you may request. Please try to get your requests back to me by 31<sup>st</sup> August, as I will start dispatching items in early September.

- Please order by using the numbers alongside the descriptions.
- If you want a particular species but don't care which donation, just give the name of the plant and 'Bulb' or 'Seed'.
- Remember to add your postal address.

If you are a UK or Overseas member and have not donated bulbs or seed, the Committee expects you to make a donation to cover the cost of postage and packing. This table tries to give some idea of the relevant amount:

Order	Minimum
seed only	£1.50
< 10 items	£2.50
10-50 items	£5.00
> 50 items or overseas	£10.00

Please make cheques drawn on a UK bank or UK postal orders payable to "SABG". And please no postage stamps. Overseas members may find it helpful to be able to pay via Paypal.

### Paypal

We cannot accept credit or debit card payments, but if you have a PayPal account you can donate this way. Please note the account we gave last year is temporarily not working. Please **do not** try to make a payment to it at the moment. Further details will follow in a few days when this issue is resolved.
